

DTS International is located at 54 Flinders Street Darlinghurst between Oxford Street and South Dowling Street. We are in a blue terrace building opposite the Shell service station at Taylor Square.

Getting to DTS International:

- **BUS** – DTS International is located just off Oxford Street, so coming from Bondi Junction you can get the 380 or the 378 buses to the courthouse at Taylor Square. If you are coming from Central Station up Oxford Street the 378 from bus Stand A on Eddy Avenue will take you straight up Oxford Street. If you are coming from the City 380 bus comes from Circular Quay up Elizabeth Street and then up Oxford Street.
- **TRAIN** – The closest train stations are Central and Museum, with a short 15-20 minute walk from either.
- **PRIVATE TRANSPORT** – there is metered parking in front of DTS International on Flinders Street. This becomes a freeway at 3:00pm so not a good option if attending an all day training session. All the other street parking is timed the maximum being 2 hours. The best parking is at Aussie Stadium Car Park on Driver Avenue off Moore Park Road it is all day free parking and a short 5-10 minute walk to DTS. There are pay parking stations around DTS e.g. Kings Car Park on Pelican Street, Oxford Square which can be up to \$36.00 per day.
